GENERAL CHAIR REPORT:

SWIMFORCE

Events:
2011 Midstates Meet: I have received initial responses from Michigan, Wisconsin, and Tennessee regarding their invitation to participate in the 2011 Midstates Championships. All three are discussing it at upcoming June meetings. I expect to have their decisions in the next month.

Diversity Meet: Tony and I had an initial meeting with Kris Houchins of USMS regarding the possibility of partnering on a Diversity meet to be held in July of 2011 in conjunction with Black Expo's Summer Celebration. We will continue to meet in the next few months to work out the details of any working relationship regarding this type of event.
ICVA: On June 8, I met with Don Welch, President and CEO of the Indianapolis Convention and Visitors Association, to discuss who our new contact will be at the ICVA as well as bringing future events to the city. Don and his staff will continue their efforts to support our events and the ongoing discussions about the Natatorium renovations.
2011 Central Zone Championships: I have contacted the Indianapolis Parks and Recreation Department about reserving Eagle Creek Beach for the open water competition on Thursday, August 4, 2011. I have also contacted The End Result about providing the electronic timing for that event. I have not yet heard back from either, but should have that information by the time of our board meeting. I have also confirmed the dates with the Nat to confirm we are on their schedule for that weekend. The ICVA has sent out new leads for hotels; I should be signing those agreements in July.
Hotels: In the last month, I have had site visits at the new Marriott complex downtown as well as the Courtyard/Residence Inn complex on New York Street. I am exploring establishing a long-term relationship with these two properties because of their ideal location to the Natatorium. University Place will also continue to be one of our options.
2011 VCC Meet: I hope to renew discussions of this event in July so that we can take promotional materials to convention to discuss with our targeted teams. I also met with Julie McKenney to reconfirm their intent to partner in this event.

OTHER LSC ACTIVITIES
LEAP: I'm still working on the crisis management plan and do hope to have a draft to present at the June meeting.
2010 LSC Calendar: Please be sure to continue to review the calendar to insure you are meeting all the deadlines for your position.

Board Development: John Sobieralski and Mel Goldstein will be attending our June meeting to present the recommendation of the Event Task force formed last year as part of our strategic plan. Their presentation will begin at 5:30..

ASCA: I spoke with the Colts ticketing department; they are still exploring the possibility of our use of Lucas Oil on the night of September 2. Tony and I also made site visits to Victory Field and Conseco Fieldhouse as two other potential sites for our reception. We hope to make a decision in the next two weeks as soon as the Colts provide more definitive information.

2010 Convention (September 14-19: Dallas): Lynn and I have been studying the convention costs. It looks like we will not be able to send all interested folks to Dallas without a budget variance. This will be discussed under Old Business at the June meeting so that we can move forward with booking travel.

Central Zone Diversity Camp: Many thanks to Emily Kowalski and Tony Young for their involvement in the organization of the first Zone Diversity Camp held here at the IU Natatorium from June 10-13! I was able to visit for a couple of session; it looked like the athletes were having a great experience.
