Site Selection Committee

All Divisional bidders for the 2011 season have been notified that we will be waiting until after this year's HOD to award the Divisional meets. This is being done to allow for the possible expansion to 7 divisional sites and the realignment that would accompany the technical item should it pass at this year's HOD. The committee received positive feedback from the bidders regarding our decision to wait.
Sugar Creek Swim Club was the only Divisional bidder that stepped forward to host the 2011 SCY Senior State Meet. The Senior Chair and Coaches Rep both supported SCSC holding the meet using a 10 lane format for prelims. Their bid has been accepted and the meet awarded to SCSC.

Technical Suggestions

Updated demographic numbers have been run regarding the 7 site Divisional proposal and they will be incorporated into the proposal presented at the Technical Meeting and HOD Technical session.

Board Review Complaint

A number of things have transpired since our last board meeting regarding the pending BOR Complaint. Tom Schultz, our counsel, has had to deal with a number of motions, etc. from Mr. Stopkotte's attorney Ed Williams. Mr. Williams has filed a number of motions / complaints in order to keep our complaint from being heard by Indiana Swimming's BOR or USA Swimming's National BOR. Most notably he has filed a Section 9 Complaint with the USOC.
The BOR Complaint will be heard via AAA arbitration in Indianapolis on August 30-31. Tom at this point estimates that we will incur approximately $ 10,000 in legal fees on the BOR Complaint.
