Paul Stauder –

I will be traveling to Florida for the International Age Group meet at the Hall of Fame pool next week and not in attendance at the BOD meeting on Monday.

Media Credential System – Lynn and I came up with a form to serve as an online media credential application. Arlene tweaked it and it will be distributed before the meeting for approval.
Suggest a line be added to future meet letters regarding media credentials: **Any on-deck access for credentialed media must be approved in advance by Indiana Swimming, with credentialed media access restricted only to designated areas by the meet director/deck marshals.**
Right now, we include (on page 3 of meet letters) a credential /deck access guideline for coaches and officials. I submit that hosts and participants alike would benefit from the knowledge that media may be present, as well as the comfort knowing that any media presence will be approved by Indiana Swimming and restricted to designated areas. I plan to work with CSC deck marshals and meet directors on policing the designated areas for SAG at the Nat during what would be the trial run of this new policy, should it pass Monday. Even if no media applies for credentials, we would have the policy and designated areas already in place for the next meet when media DOES apply for access.

Notes and activities since last meeting
Consulted Arlene on media attention since last BOD meeting.
Working with Communication Committee on topics for articles for the Ripple newsletter insert.
Small involvement with Crawfordville camp Memorial Day weekend (chauffeur for camp speaker)
Thanks to everybody who made Lauren's National Youth Team trip to Barcelona possible. She made a lot of new friends and hopefully represented the USA and our LSC well. One observation she made that I found interesting – she said all the swimmers on the trip had fun but approached the trip with no-nonsense attitude. In that, she found kindred spirits in kids who shared her commitment to preparation and competition. Some National Teamers competing in Barcelona took time to speak to the Youth Team at several meetings, and helped unify the USA spirit at the meet.
Carmel Swim Club is one of five clubs nationwide that currently holds Level 4 in Club Recognition and a Gold Medal in Club Excellence.
Thanks to Tina Mudd at SSC for her consult and advice on SAG meet organization.
