Matt Lee: Head Coach Munster Swim Club

I would like to be considered for the job of Indiana Coaches Representative for a few reasons:

First, I know a lot of you, get along with most of you, and feel that a relationship as such would be a GREAT experience to have not only for myself, but also to be able to foster new ideas with all of you in a more formal setting. I feel like a lot of coaches have great ideas that are untapped and maybe I can relate some of those to the board for review.

Second, I would like to be involved more with the business part of Indiana Swimming as an organization overall, from board meetings down to camps and the structure of promoting and accelerating our LSC into the next few years. I think Indiana has a great backbone and I would love to be a part of the inner-workings with the help of all fellow coaches.

Lastly, I would like a new challenge. I have taught swimmers of all ages that have inspired me to continue to WANT TO LEARN MORE about why swimming is such a great sport.

Thanks for your consideration. Have a good one!

Matt
