

Assistant Age Group Coach

These positions are open immediately for the Short Course 2011-2012 season, and will be filled when the ideal applicant(s) are found.

Club: The Munster Swim Club serves the Town of Munster and surrounding towns in Lake County, IN; operating out of the state of the art new Munster High School Aquatic Center at Munster High School, an indoor 10-lane 50 meter x 25 yard facility constructed in 2011. The club is approximately 150 members strong. Munster Swim Club's mission is to promote swimming through a positive family environment, emphasizing personal and Team improvement.

Position: The Munster Swim Club is seeking qualified applicants to serve as assistant group coaches with the club's developmental athletes ages 12 and under, with the possibility to assist with other groups in the program as directed by the Head Age Group Coach.

Responsibilities: These are part time positions, offering up to 10-12 hours per week. Duties include evening practices Monday through Friday and possible Saturday morning practices, and meets when scheduled for swimmers in the respective training groups. Regular staff meetings are scheduled to ensure continuity in teaching and communication. Coaches are expected to keep practice notes and be able to formulate drills and sets.

Qualifications: Applicants (if not previously certified) must be willing to complete certification in CPR and water safety and become a registered coach member of United States Swimming, which requires a criminal background check. A college degree and previous competitive swimming and / or coaching experience are preferred, but not required.

Compensation: Hourly pay will be based on experience and qualifications.

Applicants: Please submit a resume with references and a cover letter to:

Matt Lee (Head Age Group Coach)
