DDS, Indiana University School of Dentistry, Indianapolis, Indiana
MSD, Indiana University School of Dentistry, Indianapolis, Indiana, Specialist in
Pediatric Dentistry and Orthodontics

Personal Background

I am the father of four children (Alexis, 15, Andrew, 14, and twins Arie and Aidan, 9) of which all have been swimmers at one time or another. At this time, Alexis is swimming on her high school team as a freshman, and Aidan will be back in the pool swimming competitively this summer. Personally, I began swimming on summer swim teams in grade school, and continued into high school and college. I enjoy swimming, biking, and running, and would like to begin doing triathlons. I have finished 3 marathons and 3 half marathons. I enjoy skiing and traveling, and am an avid Disney enthusiast.
