

Indiana Swimming Registration Fee Summary Form

For use for 2012 year: September 1, 2011-August 31, 2012

Please complete the proper sections of this form each time you submit registrations and payments. If using the e-file registration method, the club needs to keep all applications on file for 1 year and submit a Batch Report document. If using the paper registration method, all **ALPHABETIZED** applications and fees must be included with this form so they can be processed.
