

# **INDIANA SWIMMING FORMULA FOR DETERMINING CHAMPIONSHIP TIME STANDARDS**

*Effective April 2003*

## **AGE GROUP STATE**

A Four year weighted average of the 32nd place time will be used.

Year 1's time will be weighted 4 times (ie: 2002)

Year 2's time will be weighted 3 times (ie:2001)

Year 3's time will be weighted 2 times (ie:2000)

Year 4's time will be weighted 1 time (ie: 1999)

Should the year selected not provide a 32nd place time, the present cut for that year will be used.

## **SENIOR STATE**

A Four year weighted average of the 50th place time will be used.

Year 1's time will be weighted 4 times (ie: 2002)

Year 2's time will be weighted 3 times (ie:2001)

Year 3's time will be weighted 2 times (ie:2000)

Year 4's time will be weighted 1 time (ie: 1999)

Should the year selected not provide a 50<sup>th</sup> place time, the present cut for that year will be used.

## **DIVISIONALS**

118% slower than Age Group or Senior.
