Legislation Summary

Each item considered separately.

	Description	Technical Committee Recommendation	Location	Requirement
Meet Fee (MF)-1	Increase meet fees for Championship and non-Championship meets	Adoption	Meet Fees	Simple Majority

According to *Robert*, “an amendment must be germane to be in order. To be germane, an amendment must in some way involve the same question that is raised by the motion to which it is applied. A secondary amendment must relate to the primary amendment in the same way. An amendment cannot introduce an independent question; but an amendment can be hostile to, or even defeat, the spirit of the original motion and still be germane.
